RE: Support for Just Salad Restaurant, Common Victualers & Takeout Service Licenses ,
located at 185 Franklin Street

To the Members of the Boston Licensing Board and the Zoning Board of Appeals:

Attorney Daniel Brennan presented to the Wharf District Council, the specifics on the “Just Salad” restaurant, being proposed for the space at 185 Franklin Street, formerly occupied by the Hale and Hearty restaurant. In the presentation, the restaurant requested Wharf District neighborhood support for both conditional take-out restaurant use and a Common Victualers License.

The Wharf District Council, on behalf of the community, is pleased to submit this letter of support for the “Just Salad” restaurant and for its requests for take-out service and a Common Victualers License

With our support, we request management effectively control the approved times and conditions of operation and prevent unnecessary noise and rowdiness. We welcome this new restaurant to our neighborhood and look forward to having “Just Salad” as part of our community.
